

How to pay by check or cash

Prepayment by cash or check is accepted at our school. Please keep in mind that if you send cash with your student it is extremely difficult for food service and administrators to determine what happened if that payment is not received by the cafeteria. Please do not mail cash.

Checks are to be made out to Minuteman School Lunch

Please write your student's name and ID # on the "Memo" line of the check. For your convenience we do accept checks written to fund multiple student accounts. If you wish to send one check to be applied to multiple student's accounts, please include a note with the names (and account numbers if available) of each student, and the amount of money to be applied to each student's account.

Funds deposited by check or cash will be available in the student's account on the day they are received. Funds on student accounts are available for purchases of any cafeteria items. You do have the ability to restrict account funds deposited on the account. Please contact Food Service Director Kathleen Currier if you would like a restriction or note placed on a student's account.
